THREE O'CLOCK PROJECT

Three O'clock Project covid-
19 operations

Emily Chatelain, Executive Director

What is
Three O'clock project?

COVID-19 TIMELINE

- Schools shut down in March
- Governor ordered a stay-at-home order
- Public school systems shut down their grab and go meal programs due to staffing health and safety concerns, equity, unions
- Parents who were already struggling to access the grab and go sites, now faced with minimal to zero options

THREE O'CLOCK PROJECT'S ROLE

- #1: what could the solution be to this food insecurity issue
- #2: gather a team to implement the solution
- #3: create several short term and long term goals and plans
- #4: implement the plan and adjust as we work through obstacles
- #5: Ask for forgiveness later when in crisis mode

IT TAKES A VILLAGE

THE RESULTS

From March to August 2020:

- Served almost 6 million meals
- Employed over 400 people
- Partnered with 12 public school districts
- Worked with 4 local restaurants and several local produce and dairy companies
